November 18, 2022

Tony Tan
28 Ledyard Street
San Francisco, CA

Dear Tony,

On behalf of App Academy, I would like to personally congratulate you on successfully completing the Software Engineering Track: Full-Time Online. Over the past 24 weeks, you have demonstrated self-motivation, an ability to learn, and determination. These qualities will serve you well in your career.

Please let this letter serve as confirmation that, as of 11/18/22 you have completed the 960-hour curriculum of study on the following topics:

- Programming Fundamentals
- Computer Science
- Front-End Engineering I
- Back-End Engineering
- Python
- Portfolio Strategies
- Front End Engineering II
- Job Search Strategies
- Full-Stack Portfolio Strategies

Please accept my best wishes for your continued success.
